

## It's a Home Run for Community Spirit!

After the damaging June 2024 storm took out one of the dugouts, *Gravelbourg Minor Ball* approached the Recreation Manager with a bigger idea: why not rebuild **both** dugouts at Middle Diamond?

And so began an inspiring partnership to create an amazing space for our community.

This was a **true community effort**, made possible by:

- ◆ Gravelbourg Minor Ball organization
- ◆ Town of Gravelbourg staff
- ◆ Local businesses
- ◆ Dedicated volunteers
- ◆ Two incredible major sponsors

When we come together as a team, amazing things happen. This project is proof of what collective spirit can build — something lasting for our kids, our athletes, and the future of ball in Gravelbourg.

### Special thanks to:

- ◆ *Dirt 2 Dreams & Printz Seeds* — our major sponsors
- ◆ *Tim Bell* — Gravelbourg Minor Ball VP, whose leadership was key
- ◆ *No Problem Welding* — donated time and shop use for welding and fabrication
- ◆ *Trailtech* — donated labour for sandblasting and painting
- ◆ *Fox Family Farm* — installed the tin on the frames
- ◆ *Town Public Works* — removed the old pad, installed the new one, and added fencing
- ◆ All our amazing volunteers — who brought time, tools, and heart ❤️

*Larry's Installing & Repair* was contracted to install the frames, benches, and shelving.

### A proud milestone:

🎉 The new dugouts officially opened on May 26, with our Lightning teams taking the field for their home games! We're now just a fence and a few sponsor signs away from a fully renewed diamond.

Join us for the **Softball Playoffs — June 20–22!** 🟡

These aren't just games — they're a celebration of teamwork, resilience, and community pride.

📸 **Come see what we've built together** — cheer on our players, celebrate this milestone, and take pride in knowing you were part of something special. Stay tuned to *Gravelbourg Lightning Facebook* for the playoff schedule.
